EDUCATION

The Hong Kong Polytechnic University — **Sep 2026 - Present**
M.A. in Translation and Language Technology

University of Macau — **Aug 2022 - Jun 2026**
B.A. in Portuguese Studies | GPA 3.62/4.00

- Dean's Honour List (three times); Macao Foundation scholarship for overseas exchange; runner-up in a Portuguese debate competition.

University of São Paulo, Brazil — **Jul 2024 - Jul 2025**
Exchange Student, Faculty of Philosophy, Languages and Human Sciences

- Coursework in Brazilian culture and literature, Portuguese linguistics and African literature in Portuguese; one year of full Portuguese-language and cross-cultural study.

INTERNSHIP EXPERIENCE

Traditional Chinese Medicine Science and Technology Industrial Park of Co-operation between Guangdong and Macao — **Jan 2026 - Jun 2026**
Intern, International Exchange and Cooperation Center

- Supported the full delivery of the 2026 Hengqin-Macao medical training series for more than 500 licensed healthcare professionals, coordinating courses, venues, participants and materials with government, schools and external partners.
- Co-produced four TCM public education videos with the Livelihood Affairs Bureau (more than 5,000 views on the top-performing video); planned a national online quiz with 7,000+ participants, a school outreach program for 200+ students and teachers, and a summer wellness festival serving nearly 200 residents.
- Supported the design and on-site delivery of Harrow International School's summer TCM culture and business competition program.
- Assisted with preparation for the 2026 Brazil TCM Development Forum, received delegations from Portuguese-speaking countries and other government, university and pharmaceutical organizations, translated cooperation documents, and contributed to internationalization stories, overseas registration cases, reports and book manuscripts.
- Handled OA/BIP approvals, reimbursements and seal requests; supported business reception, meeting services, minutes and cross-department project follow-up.

Party Committee Office, Zhuhai National Hi-Tech Industrial Development Zone — **Jun 2024 - Jul 2024**
Intern

- Drafted briefs and research reports on the local economy and public services, supported the official publication High-Tech Updates, and turned fragmented information into internal reference materials.
- Monitored government websites and industry reports for economic developments, priority industries and policy changes; prepared data tables, workflow diagrams and other administrative materials.

PROJECT EXPERIENCE

Xiaohongshu Content Data Annotation Project — **Jun 2026 - Aug 2026**
Portuguese (Brazil) Data Annotator

- Annotated and reviewed translations in Xiaohongshu posts and comments according to project guidelines, processing more than 300 items per day across an online annotation platform and shared Excel workflow, with a high quality-control pass rate.

CAMPUS LEADERSHIP AND PROJECTS

University of Macau Mainland Students' Association **Jan 2024 - Jan 2025**

Head of Publicity

- Led a 25-member team in producing complete visual systems for galas and cultural events, including posters, tickets, banners, programs and souvenirs; managed budgets, suppliers, printing and stage design.

Moon Chun Memorial College Students' Association, University of Macau **Jun 2025 - Jun 2026**

Head of Public Relations

- Managed guest reception, event order, hosting and run-of-show control; wrote external press releases and social posts and maintained consistent brand communication.

Better Communication Project **Jan 2024 - May 2024**

Project Lead

- Designed and conducted primary research, secured university funding, managed the project's social media account, and organized cross-cultural activities for students from China, Hong Kong, Macao, Taiwan, India, Malaysia, Japan and other backgrounds; achieved a 95% satisfaction rate.

Moon Chun Memorial College Students' Association, University of Macau **Jun 2023 - Jun 2024**

Secretary

- Prepared meeting records, issued important notices and standardized document filing and internal information flow.
